

Effectively Using LinkedIn

Website address: <http://www.linkedin.com>

Mobile apps

iOS, Android, Windows Phone, Blackberry

LinkedIn: iOS (iPhone and iPad), Android, Windows Phone, Blackberry

LinkedIn Job Search: iOS and Android

LinkedIn Pulse: iOS and Android

LinkedIn Recruiter: iOS and Android

Tips:

- During major editing, turn off activity broadcasts
- Use every character available in each section
- Write your profile as if you are having a conversation with someone. It's okay to inject your personality.
- Join groups related to your area of expertise, industry, alumni, passions, social causes, and other aspects of your identity
- Group members can invite other members to join their network
- Take care when viewing the profile of others
